

## 2025 SUMMER CAMP AGENDA HIGHLIGHTS

### Wednesday, July 9th

**TEAMFL Golf Tournament** Join our partner organization, TEAMFL, for a round of golf with your transportation colleagues at the ChampionsGate course.

- Golfers who participate in the tournament, and book a room at the Omni, will receive a special Floridians for Better Transportation Summer Camp registration fee of only **\$350.00**. *Spaces are limited so register now for both events. Hotel rate good through **June 16th**.*

**Floridians for Better Transportation/TEAMFL Reception** After your round of golf, and relaxation on the Omni hotel property, join us for an evening reception to network with your colleagues.

### Thursday, July 10th

Registration is open from 8:00am through 5:00pm, with the 2025 Summer Camp program beginning at 1:00 pm.

**Jared Perdue, Secretary of the Florida Department of Transportation**, will open the Summer Camp with an update and outlook on transportation projects and initiatives.

**United States Senator and former State of Florida Attorney General Ashley Moody (invited)**

**U.S. Department of Transportation officials (invited)** will give an overview of recent updates and noteworthy Florida and national projects spearheaded by the USDOT. USDOT is responsible for all modes of transportation and continually undertakes new initiatives to address emerging challenges and opportunities.

**Ports Panel Discussion.** This panel will explore how ports are embracing electrification, alternative fuels, and cutting-edge technologies to enhance operational efficiency and build long-term resilience.

**Legislative Round Table Discussion.** Moderated by Representative Danny Alvarez, this panel includes perspectives of four state legislators currently serving on the Florida House transportation committees.

**Floridians for Better Transportation Reception.** Join us at **Eagles Edge Golf** for a fun networking event and a closest-to-the pin golf contest.

### Friday, July 11th

**Advanced Air Mobility Panel Discussion.** Industry leaders will be presenting their take on the rapidly advancing AAM transportation sector.

**Modes Session.** This is FBT's annual panel regarding the state of Florida's transportation modes. Representatives from the various transportation industries will share their perspectives.

**Dr. Sean Snaith, UCF Center for Economic Competitiveness**, offers his insights into Florida's economy and state of our State.
