

Dr. Alix Miller is the President and CEO-Designate of Florida Trucking Association (FTA). In her current role as Senior Vice President, she directs communications and legislative affairs for the Association; serves on several statewide transportation committees for the Florida Department of Transportation; and is the liaison between the trucking industry and state and federal agencies on regulatory issues. She holds a Bachelor's degree from Tulane University and both an MFA and Ph.D. from Florida State University. Alix will take the driver's seat of FTA on August 1.
