VINEYARDS

This cuvée, vinified with the highest level of competence and selected with great severity, is a great incentive to discover the terroir of the Pays d'Oc. Made from a selection of vines on the best exposed Languedoc slopes, this Pinot Noir proudly claims its typicity in a balanced and elegant style.

WINEMAKER'S NOTES

It is an elegant ruby hue with brilliant tints at the rim. The nose unashamedly displays the cherry notes so typical of Pinot Noir with a spicy, even peppery touch. The fresh palate, nicely set off by hints of violet and berried fruit, is silky and supple, with elegant tannins extending all the way to the enticing finish. A pinot noir that stands out from his native Burgundy.
