

# DOMAINE DE CASSAGNAU ROUGE

**From the owners of Chateau Palmer!**

## APPELLATION

Southern Coast, Pays d'Oc, France

## VARIETALS

Grenache, Syrah, and Merlot

## VINEYARDS

Produced in the low foothills of the Pyrenees, where the climates of the Mediterranean and Atlantic meet, this original blend – light and easy-to-drink – makes Cassagnau a Languedoc wine with the accent of the southwest. The diversity of the soils make a large impact: gravel terraces with large round pebbles predominate on the low slopes of the foothills of Pyrenees.

## WINEMAKER'S NOTES

This bottle holds all the generosity, character and personality of our terroir at Cassagnau! A beautiful, sombre wine with an expressively fruity bouquet and a hint of spice and Mediterranean herbs that herald in a smooth, creamy palate with velvety tannins.

## FOOD PAIRING

Ideal companion for an aperitif with tapas. An easy wine to match, red or white meats like grilled chops you will enjoy!
