## APPELLATION

San Carlos Vineyard, Valle de Colchagua, Chile

## VARIETALS

78% Cabernet Sauvignon, 17% Malbec, 5% Cabernet Franc

## VINEYARD

Viu Cuvée Infinito is made from a selection of the best Cabernet Sauvignon, Malbec, and Cabernet Franc grapes, planted in the San Carlos Vineyard in the Colchagua Valley. The Cabernet and Malbec vineyards were planted more than 100 years ago.

## WINEMAKER'S NOTES

Deep and intense violet colour. In the nose, express the finesse and elegance obtained from each variety, highly perfumed blue and red fruits such as plum, together with black and white pepper, violets and sweet spices. The palate is vibrant, balanced, with very fine tannins that leads to a finish of great depth and precision.

## FOOD PAIRING

This great wine pairs excellently with stews with powerful meat like lamb, pot roast, or Wagyu, or grilled skirt steak with chimichurri.
