PRIME TIME

PRIME TIME is a 2-hour seasonally adjusted period each day set by the Star Harbor Pickleball Committee. The purpose of PRIME TIME is to ensure maximum utilization of the pickleball courts by all members during a favored period of time each day. During PRIME TIME the following rules apply:

- MATCH PLAY can only be scheduled during Prime Time
- Each court must have at least one Member playing
- No Paid Lessons

MATCH PLAY

MATCH PLAY includes pre-arranged, designated groups of players with specific matches. MATCH PLAY involves competitive play among players of similar skill levels or newer players learning with others at their own pace. During MATCH PLAY the following rules apply:

- All PRIME TIME rules AND
- Mixing of Players is VOLUNTARY

OPEN PLAY

OPEN PLAY is a time when all players, Members and Guests are expected to "Mix". When a game is completed, any waiting players should be invited to play before starting another game. OPEN PLAY is meant to meet people and challenge different skill levels for the purpose of improvement.

- **NO MATCH PLAY IS ALLOWED**

"4 On 4 Off"

ANYTIME there are more than 2 groups playing, groups will rotate "4 on 4 off". After a group finishes playing each game (or after 20 minutes if not playing a game), that group will exit the courts and the next in line "waiting group" will take their court. To maximize court use by Members, WHENEVER a "4 On 4 Off" situation exists:

- Each Court must have at least one Member playing
- Each group in the "Waiting to Play Rotation" must have at least one Member
- Each group must exit the courts when their scheduled 2 hours of play has ended
