How it Works

All you have to do is meet with your health care professional to develop a Standard Process® supplement plan that is right for you.

From there, the online purchase process is swift and smooth. When your plan is in place, **Patient Direct** gives you access to order the supplements you need, when you need them.

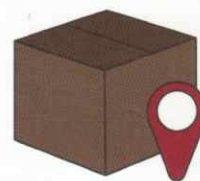

KEY BENEFITS OF PATIENT DIRECT

REGISTER FOR A Patient Direct Account

1. Ask your health care professional for their Patient Direct code. This code may not be shared with anyone.
2. Go to standardprocess.com/patient-direct and register.
3. Enter the six-digit code provided by your health care professional and accept the terms of use.
4. Complete the application, which will be reviewed by your health care professional.
5. Once approved by your health care professional, you will receive an email notification that directs you to create a website membership. Once completed, you can sign in and use your Patient Direct account.

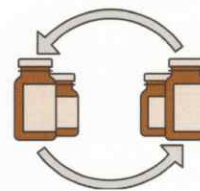

Place orders online at your convenience
