Review of Minutes from Last Year's Annual Meeting: Jenna Schnieder

Move to approve minutes: Brian Richins

Second: Jenna Schneider

Treasurer's Report: Maia Farrens

- Taxes are filed

- Annual Wyoming soccer report and affiliation is current
- Budget approved Aug 11, 2025 at the Board Meeting
- Currently working within budget
- Still have 23 outstanding balances from kids who played fall league that need collected
- \$24,426.20 current balance
- 

#### Recreational League Report: Carol Davis

- 340 participants in Rec league this year (down from 418 last year)
- 39 teams 43 coaches/asst coaches
- Round Robin tournament at the end of the season where players received participation medals and ice cream gift certificates

#### Express Coaches' Report:

- Brandon Lamb-U16 boys and U14 girls: U14 girls took first in UT, 3 tournaments (1-2), in the fall we combined the U12-U15 to make a team, the U16 boys played in 3 tournaments (1-2) and took second overall in the fall league
  - Upcoming for older teams: (lots of kids interested but no coach!)
    - Turf Wars, first weekend in Jan, 5v5 tournaments, really fun
    - Casper has a new tournament at the Ranch in late Jan
    - So Utah in late Jan
    - Gillette in Feb
- Mark Hughes-U14 boys: In spring league they won/tied half of their games, had a few rough spring games, fall was a fun season only tied/won half of games, close scores on most games, boys had fun and no one felt too terrible losing, went to two tournaments in Rock Springs won in August and did well in Sept,
  - Mark only coached because no one else would, the funnest thing to watch over the 5 seasons has been seeing the boys get better and figure out what the game is about and how the positions work, etc.
- U12--no team this year
- Eric Swensen-U10: John Richards reporting: spring league 7-2, the 2 losses shouldn't have happened, Park City tournament 1-2, first time playing 9v9 so there was a learning curve, tough tournament but didn't get crushed on the losses, odds not in favor but held own, no league play in fall

#### Explanation of Open Positions: Jenna Schenider

President

VP of Club

Registrar  
Co-Treasurer  
Media Manager  
Coach Director  
Fundraiser/Sponsor Manager (Grant Writer)  
Express Team Managers x3

Introduction of Nominees and Acceptance of Additional Nominees: Jenna Schneider

- Pamela Tafili, fundraiser/sponsor manager
- Colleen, media manager
- Charlie Carpenter, registrar (possible Club coach)

Community Vote: Jenna Schneider

- Registrar: Charlie Carpenter
- Media Manager: Colleen Williams
- Fundraiser: Pamela Tafili

Updates on “Big Goal” Soccer Complex: Brian Richins

- Action Plan
  - Meet with Pastor Douglas
  - Meet with John Richards and finalize complex plans
  - Work on funding and grant writing
  - Align with Parks and Rec: the pool vote failed, but Brian feels like we’ve established a better relationship with the Rec Ctr leadership
  - Still a big dream, meeting with City was discouraging, City has to be involved in maintenance, Brian requested to be part of Rec Board fundraising to be able to make more community connections, having a complex plan/design to present to others moving forward will be beneficial
    - Baseball is also looking for a facility similar to what we are looking for, we need to bridge the gap and cooperate

Important Upcoming Dates: Carol Davis

March 1st: Register for Rec league, play begins in May

Feb: Express spring practices start

April: Express games start

Next Board mtg Dec 8th at 7pm at Clark Elementary

### Express Fee Schedule Breakdown: Jenna Schneider and Maia Farrens

- The season for EYSC is August 1 - July 31.
- Competitive League (Evanston Express) fees:
  - \$145.00 to Evanston Youth Soccer. This includes the \$37.50 required by the WY Soccer Association for insurance for your child. It also pays for coaches training and background checks, fees associated with Fall and Spring League, indoor facility use fees in the winter, equipment, club and other administrative costs. This fee is paid once a year and is good August 1 - July 31.
  - Utah Youth Soccer collects a separate registration fee to play in their fall and spring leagues. Fees are usually collected in June and January.
  - All summer and other tournaments are a separate fee. This is usually determined by the cost for the team to register divided by the number of players going to the tournament.
  - Uniforms are bought by each player. Talk to your coach if you need a uniform and he/she will let you know how to purchase the correct one.
- Summer League recreation fees:
  - \$60 to Evanston Youth Soccer. This includes \$21.00 for WY Soccer Association, coaches background checks, field maintenance fees from the Rec Center, equipment, club and other administrative costs. A reversible jersey is an additional cost of \$20 and may be reused or handed down. Red soccer socks and shorts are offered for purchase at an additional cost. Balls are purchased on your own. The \$21.00 for WY Soccer will be waived if your child participated in the Competitive League. This fee is collected during registration usually starting in March. Practices and games usually begin mid-May ending with a Saturday Round Robin.
- We register/participate in both Utah and Wyoming leagues because Utah is closer for tournament play but Wyoming offers ODP (Olympic Development Program) and state team options. You can do ODP in Utah as well (just lots more competition).
- We charge significantly less than other sports and leagues!

### Open Comments/Questions: Jenna Schneider

- Mark: We need coaches! Anyone willing to help, we need you! Team managers are also needed and we can teach you what to do. It takes a load off coaches if we have team managers, registrars, etc.

Motion to Adjourn: Brian Richins

Second: Sarah Bell
