I appreciate locally grown organic produce and I want to become a member of the Green Croft Gardens CSA Harvest Box Program. I understand that Green Croft Gardens will do their best to provide the sustainably produced vegetables and fruits they propose, at the times they estimate. However, as I share in both the bounty and the risk, I understand that nature will decide what I will receive and when I will receive it. I agree to pick up my harvest box at the specified pick up location and within scheduled pick-up hours.
