

Green Croft Gardens 2025 Crop Plan

www.greencroftgardens.com, farms@greencroftgardens.com, 250-306-6582

This is for your information to help you plan.

Crops we try to have for a longer season are:

All Herbs, Greens, Kohlrabi, Green Onions, Onions, Garlic, Carrot, Beets, Kale, Potatoes, Broccolini, Zucchini, Squash, Cabbage.

Other crops and berries are more seasonal.

Some crops will continue most of the season depending on weather.

We will have storage crops available all winter.

April

Storage crops till supplies last:

Storage Carrots
Storage Beets
Storage potatoes
Storage Onions
Storage Radish - Daikon
