Our Icelandic lambs are pasture raised, grass fed. We will look after them for you and when they are grown we get them butchered, cut, wrapped and frozen. They usually dress out around 30 - 35 lbs hanging weight and you get a mix of chops, leg roasts, ground lamb, rack of lamb, shoulder roasts.

CSA members get first chance to reserve their lamb. Please place your order as soon as possible. To hold your lamb pay the deposit amount by email transfer to farms@greencroftgardens.com the remaining balance is due at pick-up.

Your lamb share will be available by end of October and we will contact you closer to the date with pick up date, place and time.
