Please answer these short questions to help us serve you better.

1. Have we offered the right mix of foods for you?
2. What might make it easier for you to receive your food?
3. Has the amount been too much, too little, or just right for you and your family?

I appreciate locally grown organic produce and I want to become a member of the Green Croft Gardens CSA Harvest Box Program. I understand that Green Croft Gardens will do their best to provide the sustainably produced vegetables and fruits they propose, at the times they estimate. However, as a sharer in both the bounty and the risk, I understand that nature will decide what I will receive and when I will receive it. I agree to pick up my harvest box at the specified pick up location and within scheduled pick-up hours. If it is not picked-up, I understand that it may be donated elsewhere the following day.
