I appreciate locally grown organic produce and I want to become a member of the Green Croft Gardens Winter CSA Harvest Box Program. I understand that Green Croft Gardens will do their best to provide the sustainably produced and stored vegetables and fruits they propose, at the times they estimate. However, as a sharer in both the bounty and the risk, I understand that nature will decide what I will receive and when I will receive it. I agree to pick up my harvest box at the specified pick-up location and within scheduled pick-up hours. If it is not picked-up, I understand that my box may be donated.
