Tips for Conducting and Participating in Teleconference:

Dial phone number, when prompted, enter access code and the pound (#) symbol. You are now in the meeting. Pressing * and then 6 (*6) will mute and unmute your phone. When muted you can hear but no one can hear you. It is best to stay muted except to share or read.

Loving Our Long-Timers is a recorded meeting featuring speakers who have 30+ years sharing their personal history and experience, strength and hope (ESH) with our Fellowship. LOL started in November of 2013 as a weekly phone line meeting and expanded in July of 2021 to the video platform ZOOM to capture international members.

Over 400 speakers and 12,000 years of experience can be downloaded for free with a simple click. Links to both meetings are on our website, nalongtimers.org along with many other speakers from the past and present.

Originally started in 2008 as Outreach to carry NA meetings to a hospitalized member, teleconference meetings have matured into full-fledged NA meetings serving the needs of our members: COVID-19 isolationists, home-bound and hospitalized members, scared newcomers, professional drivers, parents' home with children, rural members, those who are simply seeking multiple flavors of recovery and, of course, YOU;) Please join us!!!
