

## INCLUDE THIS SHEET WITH YOUR PAYMENT PLEASE

I try my best to provide answers, advice and parts (IF available) for some vintage beer signs. Since I'm one person, and this is my HOBBY, I'll do my best for you. To do YOUR best for me, call or email first, and I can let you know if I have what you are seeking. Print and fill out this order form with WHAT you are ordering, along with other details that will help us be happy.

## The "fine print" and points to consider

If I'm unreasonable, you are welcome to buy these highly specialized items at Amazon, etc. I don't know everything, but if you listen, I know quite a bit and would love to make us both happy. I charge actual shipping-and my prices are non-negotiable. Your problems will not become mine. No, I won't ship Hamm's signs. Remember...my goal is to make us both happy. That's why I don't.
