To inspire each child, turn to the 31 Chapters of Proverbs to find Godly Wisdom that will guide them through making the right choices in life, their future, and their careers.

Children will also learn coping skills to: handle the good and bad times, think of others and give hope to them when they are down, for them to know they have 24/7 access to the of words of wisdom from the 31 Chapters of the Book of Proverbs each day of the year for the rest of their lives, and to pour into their souls and minds during times when they are in the valleys and on the mountain tops of life.
