

Knights of Columbus

Lake County Assembly 1675

Newsletter April 2023

Faithful Navigator Bob Nixon

Sir Knights,

We have a lot going on, all great stuff. Our presence at the Tavares VA was very well received April 21st. Great donuts, coffee, and fellowship while serving our community of veterans. Thank you to Craig Braun once again for the wonderful donuts from Publix. They go over so well. Our next opportunity to serve at the Tavares VA is on May 5th at 8:30 am. I will be picking up the donuts again and Chris Berens will be bringing the coffee and condiments.

Then we will be serving lunch for the Habitat for Humanity again for the last time until at least fall or so. Tony will let me know where we will be for this one and I'll let everyone know at that time. We will arrive to start set up and get cooking around 10:30 am.

Then our regular business meeting is also May 10th at 7:00 pm.

The State convention is on May 25th - 28th in Orlando. The Knights on Bikes will also be attending this event as well.

May 28th all the Faithful Navigators along with as many Assembly members as possible will be meeting at the National cemetery in Bushnell Florida and will be placing flags at several stones and zones. We will need to arrive by 8:30 am in order to coordinate where we will all begin. For those who can't make it on the 28th, we are required to remove all the flags on June 3rd, so you will have another opportunity to participate then.

So as you can see we have a busy, but blessed month in May.

Also on Mother's day, Council 8120 - St. Mary of the Lakes will be serving breakfast. \$3.00 for mothers, and \$7.00 for everyone else.

Eggs 🍳, potatoes 🥔, Grits, bacon 🥓, pancakes 🥞, Belgium waffles 🍩 biscuits and gravy, mixed fruit 🍓, juice, coffee ☕ donuts 🍩, and pastries. You can't beat the price. Come on over to St. Mary's down in the hall after the 8:00 am and 10:00 am masses and enjoy and honor the mothers.

Busy, busy, busy...

God bless,

Bob Nixon PGK, FN
