

PRICE REVISION: 1 JANUARY 2026

Dear Valued Customer,

We would like to express our heartfelt appreciation for your continuous support since our opening in 2022. Your trust has allowed us to grow, improve, and consistently deliver the level of service you deserve.

After much consideration, we wish to inform you that a revision of prices for selected services will take effect on 1 January 2026. This adjustment is necessary due to the increasing operational costs we have been absorbing over the years. We have worked hard to maintain our prices without change since day one, and this decision was made only after exhausting all other options.

We sincerely apologise for any inconvenience this may cause and hope for your kind understanding. Our commitment to providing exceptional experiences and the highest standards of care remains unchanged.

Thank you once again for your loyalty and continued trust.

Warm regards,
The Management
