DUNES WEST LGA

OCTOBER 2026 NEWSLETTER

Dear Members of the DWLGA,

4 Days of Tee Times and Wonderful Play

With cooler weather arriving, October is always one of our busiest months. Please sign up early through SignUpGenius to take advantage of our incredible tee times on Mondays, Tuesdays, Wednesdays, and Thursdays.

CALGA Update

Congratulations to everyone who participated in the final CALGA event at Westcott during the Schaible Classic. It was a challenging round, and special recognition goes to Deb Casey, Karen Snyder, Teresa Schepp, Mary Driscoll, Annette Kellner, and Julie Norman for their strong finishes!

Posting Your Scores

Please remember to post your scores after every round to keep your USGA Handicap Index official and ensure fair competition. This includes daily and weekend play with friends and family during non-LGA tee times. For CALGA events, listen for announcements regarding whether scores will be posted for you; if you are unsure, take a photo of your scorecard.

Handicap Committee

If you would like to be on the handicap committee next year, they could use a few more ladies! Please notify our Nominations Committee: Ellen O'Neil, Judi Paylor, or Sarah Younger, or anyone on the board.
