

Member Spotlight

This month's "Member Spotlight" focuses on Bob Windal. Bob currently owns 1970 Buick GS convertible, a 1962 Chevy Impala Wagon, 1968 Chevy C-10 pick up; 1993 Chevy Sport Side Sport pick up and a 1996 GMC pickup.

When asked which was his all time favorite car, Bob said it was his 1970 GS. When asked why he said this 1970 Buick was bought new and has always been in the family. He said he likes the ride of the car as well as the big engine and speed. And of course it being a convertible helps.

Bob joined the Gateway Chapter Club _____ when our club hosted the Buick National that was held at The Henry the Eighth Hotel.

Bob's hobby (if you can call it a hobby) is doing home repair work for people. But if you know anything about Bob, he likes to help club members and others with repairs on their old cars. Bob has, in the past, traveled with members on the road to check out old cars or help pick them up and bring them home. Bob is a good mechanic.

Bob's occupation was an electrician for 12 years until he was injured.

Bob became interested in old cars at an early age, at the age of 14 he bought a motorcycle but needed transportation for it so he bought a 1966 Chevy Carry-All truck and rest is history.

Bob has been a very active member of our club and will do most anything when asked. Bob, we appreciate your membership and look forward to many more years.
