

## **Herb Morris**

This month's "Member Spotlight" focuses on Herb Morris. Herb currently owns a 1987 Grand National, 1937 Buick Series 40, 4 dr. and a 1990 Reatta convertible.

When asked which his all time favorite car, he said it was his 1987 Grand National. When asked why, he said he likes the feel of the power and the way it drives.

Herb joined the Gateway Chapter and BCA in 2001 and has held the office of secretary of our chapter for 4 years. He has been an active and loyal member of the chapter all these years.

Herb is a "traveling salesman", a sales representative for Medart Marine Supplies. For 21 years he has sold marine supplies to boat dealers and other related business in several Midwestern states.

Other than keeping his old cars going, Herb has a hobby of collecting "Department 56" porcelain model homes (Dickens series). His current collection numbers 62 homes and is growing.

Herb caught the "Old Car Bug" in 2001 when he bought his first old car, a 1969 LaSaber 2dr ht. As they say, you've come a long way Herb!

Herb and Sharon have been married for 40 years and have one daughter.

Herb served our country for 6 year in the Army National Guard as a heavy equipment operator. (sorry Herb, we just can't picture you driving a bulldozer!) Thanks, Herb, for your service.
