

Adam Martin

This month's "Member Spotlight" focuses on Adam Martin. This is an update to a previous spotlight from several years ago.

Adam currently owns a 1971 Buick Centurion 2door hard top and a 1958 Buick Limited 4door hard top which is under restoration and will someday hit the streets. He has been into old cars since the late 1990s and has owned other Buick models as well as non-Buicks.

Adam said that was his current 1971 Centurion is his all time favorite car. It goes back to when he was 16 years old and started driving; yes, it was a 1971 Buick Centurion! Adam has owned and driven 9 of this model car over the years. He just likes those big engines

Adam has been a member of the Gateway Chapter Buick Club since 2003. He has held the office of Assistant Director, board member, webmaster of our club's web site and has served on several committees. Adam also holds membership in the Buick Performance Group where he serves on the board of directors as car show director and as webmaster of that club's web site.

Adam's hobbies are golf, hunting, fishing and photography. He likes to be outdoors. He played the trumpet in college and at special events after college. Due to time constraints, he doesn't play much these days.

Adam's occupation for the past 10 years has been installing and servicing lawn sprinkler systems. He currently is general manger for Professional Irrigation Systems LLC. Adam holds a BA degree in Music Merchandising from SIU Edwardsville.
