

Rich Horst

This month's "Member Spotlight" focuses on Rich Horst. Rich currently owns two 1955 Buick Special 4 door Sedans and a 1993 Jaguar XJS Convertible.

When asked which was his all time favorite car, he said it was both of his 1955 Specials. When asked why, he said he just liked the design. Apparently so, since he has two, one of which he has had for 32 years.

Rich's hobbies are bowling, golf and traveling. Rich and his wife Cathleen are both clowns! Got your attention now? Yea, Rich and Cathleen are Knights of Columbus clowns; Rich for 8 years and Cathleen for 16 years. Rich said this is how he met Cathleen. So next time you see Rich clowning around you will know why!

Rich is a CPA and has worked for an insurance company for the past 6 years. Prior to this he worked for Southwestern Bell for a total of 13 years until they moved their headquarters to Texas. Rich is a home town boy and decided to stay here in good old St. Louis.

Rich caught the "Old Car Bug" early in life; he enjoyed playing around old cars when he was just a little guy. But, officially, I guess it started when he bought his first Buick 32 years ago. Rich joined the Gateway Chapter Buick Club 30 years ago.

Rich and Cathleen have been married 5 years. Rich has a son and daughter and Cathleen has a daughter from prior marriages.

Thanks Rich for be such a loyal and long time club member, we need more members like you!
