Re: QPL List 45, PE #19069 SGET

Mr. Jordan,

The Tennessee Department of Transportation MASH Committee have completed our review of the above-referenced product submitted for approval. We reviewed the entire product submittal along with the supporting documentation and analyzed each of the evaluation criteria in the applicable MASH test matrix. We concur with the testing laboratory's findings and justifications and, therefore, approve the use of this product on TDOT projects.

If you have any questions, feel free to contact me by email.

Sincerely,

A handwritten signature in blue ink that reads "Richard Weber".
