For all new construction, a check will be processed and delivered to the City of Victor for their sewer connection fee of \$3,187.50 within 2 business days of completion of this application and payment of all required fees. Upon delivery of payment to the City of Victor, the applicant must see the City to obtain a receipt for the sewer connection fee and then may proceed to the County Building Department to complete the building permit process.

Please sign in the space below and return this form along with appropriate payment to Teton Water & Sewer Company.

I hereby request utility services at the above location and agree to pay for all water and sewer used, delivered or made available at this location **until I notify Teton Water and Sewer Company in writing** to discontinue such services. I agree that all utility services will be delivered subject to the rules and regulations of the Teton Water and Sewer Company as they now exist or may be amended from time to time. I understand that water service may be terminated or disconnected in accordance with Rule 304 of the Utility Customer Relation Rules of the Idaho Public Utilities Commission (IDAPA 31.21.01), including termination of water services on account of the customer's failure to pay for sewer services. I also agree that in the event legal action is commenced to recover payment for such delinquent utility services, I will pay all of Utility's reasonable attorney's fees and court costs. I understand that Teton Water and Sewer Company makes no warranties of any kind and all warranties, whether expressed or implied, including all warranties of merchantability and fitness for a particular purpose, are expressly disclaimed. I represent that I am either the owner of the premise described above. I also represent that neither I nor any member of my household have a delinquent utility account with Teton Water and Sewer Company.
