To whom it may concern,

I am pleased to write this letter of reference for British Commercial Cleaning. We have been working with this company for the last year and have been very satisfied with their service. The cleaners come twice a week and do an outstanding job. We have found the cleaners to be consistent with cleaning and they ensure that they complete all areas covered in our contractual agreement. Mike and Ann have always been very friendly and have always acted in a professional manner. They are very trustworthy and require no additional assistance from me. If I add tasks to their jobs they always take them on with a smile.

Ann is very detail orientated and has been very helpful in assisting with the cleaning needs of our specific areas. She has been flexible with days and times and has always shown up when needed, even if it is a last minute emergency. Mike has repeatedly accommodated our needs in a timely efficient manner. I would recommend British Commercial Cleaning and their team without question.

Sincerely,

A handwritten signature in black ink that reads "Kathy Schack". The signature is written in a cursive style with a long horizontal line extending to the right.
