7th Annual **WOMEN** in Tribal Gaming Symposium

MAY 22-23, 2024

ABOUT THE CONFERENCE

We welcome you to join us for the **TGPn 7th Annual Women in Tribal Gaming Symposium** to be held on **May 22-23, 2024**, at Wild Horse Pass in Chandler, Arizona. We are excited to provide two days of breakout sessions, panel discussions, a networking event, and the announcement of the 2024 Woman Warrior Award.

The **Women in Tribal Gaming Symposium** was first held in 2017 to provide support and shared experiences for women involved in tribal gaming with the goal to promote diversity within the tribal gaming industry. Held annually, the **Women in Tribal Gaming Symposium** is led by women, coordinated by women and dedicated to maximizing opportunities for women in the gaming industry.

The **Women in Tribal Gaming Symposium** is a gathering of the most eclectic, innovative and trend-setting tribal government and gaming industry leaders. More than 200 women and men have attended the symposium each year since its inception. Representing various tribes, businesses, gaming operations, and gaming professionals, the **Women in Tribal Gaming Symposium** will be an incredible experience.
