ABOUT THE SYMPOSIUM

What began in 2017 as TGPN’s Women in Tribal Gaming Symposium—created to support, develop, and elevate women across the tribal gaming industry—returns to Morongo Casino Resort & Spa for its milestone 10th anniversary, back where it all began.

Over two and a half days, professionals from tribal gaming and tribal government will come together for learning, leadership and community. Attendees can look forward to dynamic breakout sessions, engaging panel discussions, meaningful networking and recognition of industry trailblazers through the 2027 Woman Warrior Award.

The 2027 Women’s Symposium will carry forward a decade of empowerment and collaboration while celebrating the people who have made it possible.
