QC/QA Information

Notice to all Ogden Avenue Materials / Reliable Ogden LLC plant customers:

Please see the attached table which includes each plant contact information, as well as the mix type, BIT number and other relevant product information.

When submitting notification please include the following:

- 1) Purchase location (Ogden Plant, Laflin Plant, *Pulaski Plant)
- 2) Project Number
- 3) Mix Type (example - N70 Surface)
- 4) Total Tonnage

***Please note: Our Pulaski Plant has a limited availability of QC/QA mixes; please contact Cindy at 773-254-2171 for details on purchases for QC/QA mixes.**

All notifications must be submitted by 3PM the day prior to pickup.

Please keep in mind that we only provide QC plant testing of your purchased material. Any QC field requirements will need to be addressed by you or your GC. Plant QC reports will be sent to you along with your invoice and are subject to fees. Plant QC report fee is \$1/Ton with a \$50 minimum charge.

Premium charges may apply when purchasing asphalt during non-normal business hours (Night work and/or weekends)

Thank you,

Andy Gerretse
QC Manager 708-655-0853
