HOSPITALITY

The logo features the text "myVIPlife" in a white, lowercase, sans-serif font. The "VIP" portion is significantly larger and bolder than "my" and "life". A small, white, diamond-shaped icon with a double-line border is positioned above the top of the letter "I". Below "myVIPlife", the word "HOSPITALITY" is written in a smaller, white, uppercase, serif font. The entire logo is centered on a dark red background.

NYE Celebration

"Beautiful hotel with nice accommodations. Stayed the evening of December 31st and attended the Black/White Ball for the New Year! Had a great time. Staff was very friendly. Only negative thing is that there was no real restaurant to sit down and dine at. There was a nice bar with bar tables and the food was good."

My VIP Life has everything covered from the minute you enter their event to the second you lay your head down to rest. They've put timeless hours into perfecting a night out. They offer transportation, location, beverages, food, entertainment - even a place to sleep the night of! Why waste countless hours searching through all these other events that don't offer everything you need and more when you can get it all when choosing them? I highly recommend their events for a fun night out!
