

SMOKE ALARM COMPLIANCE SERVICE

Newcastle
**Smoke Alarm
Services**

Smoke
Alarms

- ❖ A licensed electrician will ensure the property has enough alarms that are positioned correctly.
- ❖ We will inspect, clean, and test the properties' smoke alarms as per manufacturers specification.
- ❖ We will ensure compliance with AS 3786, and any non-compliance will be rectified immediately.
- ❖ We will replace the battery.
- ❖ Missing, expired or faulty alarms will be installed/replaced at the time of inspection by our licensed electricians.
- ❖ We will provide a compliance report on completion.

\$109

+ GST per year

Add a Water Efficiency Test for \$30
