

Note:

This entire package is compostable and/or recyclable.

String is made from 100% cotton.

Paper "envelope" from 100% recycled

Kona Classic Artist Paper made from repurposed coffee bean bags and post-consumer fibers.

Colored papers are made from recycled paper and can be recycled again.

Home-made wheat paste glue was used to adhere papers.

Ink used is soy based.

This is the first time I've tried seed paper. Please let me know next spring or when you plant, via my website email, if the seeds sprout, **thank you!**
