Number of Family Members for Membership?
Adults: _____
Children under 12: _____

The plan is allowing 1-2 tents with camping and 1 jeep/vehicle for trails. If you have special needs on this, let us know: _____

What is/are your primary objective(s) in membership? _____

OPTIONAL INFORMATION

We want to get to know our members. Due to high demand we are forced to limit the number of initial memberships offered. We want to create a family friendly adventure park for everyone, and we want you to feel like family.

Were you a vendor or volunteer for jeep fest? _____
Please tell us about it: _____

1. Camping We love camping! As membership grows we realize there may be a need for camper hook ups and a way to provide water and a dump station for our members.

2. Hiking Some trails will be devoted to hiking. We want to create shared trails which will mean slower speed limits. Assume kids will be hiking the trails when you ride!

3. Trail riding

4. Creek swimming/exploring

Specifically, do you plan on riding jeeps, ATV/4 wheelers, or something else. We want to grow the park in a way that services our members. Tell us about your plans.

What other hobbies do you and your family enjoy? As the park grows, we will be adding activities each year. We want to add things that our members will like!
