# soundflare

## micro speaker with beat driven lights

No ordinary speaker soundflare has turned ocean bound plastic into a premium micro speaker with a difference. The whole base of the speaker lights up and sync to the beat creating a portable disco. The free optional App allows you full control of the settings allowing countless configurations to play with, you can also control the sound and adjust the EQ to your liking making your own portable DJ, and if that wasn't enough you can use the speaker as a remote to your Phone camera to set up the perfect Selfie shot!

further enhance your experience by downloading the Free  
"BOOMPODS" App, go to the App store.

BOOMPODS®

# blockblaster

Sound like no other in its class.

Not a typical Bluetooth speaker, this is a Hi-Fi speaker. The Blockblaster has 4 professional quality drivers, 2 cover the high tones and 2 the middle notes, we also added 2 Boompods designed passive bass membranes which together produce an incredibly well balanced high fidelity sound with huge bass that will seem unbelievable from such a compact design.

This blockblaster is so capable we have designed it to be enjoyed everywhere. Stream your favourite tunes at home, boost your TV by using as a sound bar, wirelessly pair a second so you can create a full room sound. Fully waterproof you can use in the garden, by the pool or on the beach. Disappear off the grid with an integrated backup powerbank to keep you charged and 20hrs music play time.

karabiner      lanyard bracelet      bungee strap anywhere      shock proof      IPX 7 water proof      huge hi-fi sound 36 watts

12hrs play      power bank      take calls      pair 2      line-in TV sound bar pair 2nd wirelessly TV sound where you want it!

# BEACHBOOM35

**sustainably made rugged waterproof speaker**

Designed to withstand the challenges of beach life, our rugged speaker is built to endure bumps, drops, and even sandy environments without missing a beat. It's the perfect companion for all your beach adventures.

But what makes our speaker truly special is its commitment to the environment. We've sourced our materials responsibly, utilizing ocean bound plastic that would have otherwise polluted our seas. By choosing our speaker, you're not just enjoying incredible sound, but actively participating in the movement to protect our oceans.

## BEACHBOOM35

Ocean material, Waterproof - IPX7  
35 Watt + 2 passive bass + 12 HRS battery

Make a sound choice for the planet without compromising on quality or performance. Choose our Sustainably Made Rugged Waterproof Speaker with Great Bass and embark on a musical journey that supports sustainability, durability, and bass-driven excitement. Let's enjoy the great outdoors while preserving it for generations to come.
