

BEACHBOOM35

sustainably made rugged waterproof speaker

Designed to withstand the challenges of beach life, our rugged speaker is built to endure bumps, drops, and even sandy environments without missing a beat. It's the perfect companion for all your beach adventures.

But what makes our speaker truly special is its commitment to the environment. We've sourced our materials responsibly, utilizing ocean bound plastic that would have otherwise polluted our seas. By choosing our speaker, you're not just enjoying incredible sound, but actively participating in the movement to protect our oceans.

BEACHBOOM35

Ocean material, Waterproof - IPX7
35 Watt + 2 passive bass + 12 HRS battery

Make a sound choice for the planet without compromising on quality or performance. Choose our Sustainably Made Rugged Waterproof Speaker with Great Bass and embark on a musical journey that supports sustainability, durability, and bass-driven excitement. Let's enjoy the great outdoors while preserving it for generations to come.
