

Welcome to the SLC!

All students must fill out a registration form and the assessment packet. This will help us put you in the right level class.

There is a \$25 annual registration fee. This fee includes access to News for You online newspaper, SLC social gatherings, and any conversation classes that will be held in the community. **This \$25 does NOT cover English class tuition and does NOT guarantee a spot in a class.**

Tuition can be broken up into 2 payments. The balance needs to be paid before registering for the next class. You can pay online or in the office.

We are a non-profit and charge tuition on a sliding scale. The SLC needs to have on file one proof of income (tax return, pay stub, etc.) if applying for reduced tuition.
