

Excess Inventory Sale

Last year, Concrete Rose Charities was reinstated, and thanks to your support, we've been able to help young women, ages 11 to 25, who are pregnant or parenting. Now, we're getting organized and it's time to clear out our excess inventory! "We have a variety of high-quality backyard items, home remodeling materials, and more—everything you need for your next project or upgrade. And the best part?

New items still in the box or deeply discounted open-box products, this is your chance. But hurry—inventory is clearing out fast, and pick-up is available now through October 28th.
