Dear Tiger,

The Jackson Park Golf Association of Chicago, Illinois is honored to present this memento of your first visit to our beloved Jackson Park in the summer of 1993.

Over the course of the past 25 years, we have watched with pride and awe as an exceptional junior golfer grew undeniably into one of the greatest golfers of all time. Your golf clinic at Jackson Park Golf Range inspired countless juniors to look at golf as a fun, enriching, and attainable sport; and motivated the adult golfers to work diligently on their game. Your phenomenal talent revolutionized and transformed the game of golf.

The Jackson Park Golf Association membership of leagues and clubs provide sponsorship of youth development through training and mentoring programs and continues to nourish junior golfers' ambitions with meaningful and results-oriented training, support, and ultimately access to amateur and professional golf circuits.

Many thanks to you and your *TGR Design* team for your vision to modernize our century-old Jackson Park and South Shore Golf Courses. We look forward to working together to revitalize our community aesthetically and economically, while building a legacy through our shared love of the game. Moreover, we eagerly await the next opportunity to greet you with a heartfelt welcome back to the South Side of Chicago. Just as the Jackson Park Golf Association was with you then, we continue to be with you and other junior golf visionaries now and into the future.

May your incomparable golf journey continue to soar with blessings and support from the *Jackson Park Golf Association*.

Cordially and respectfully yours,

Ron Norris
