

Mommy Eats Fried Grasshoppers

How to Make a Ragdoll or Ninja

Get a rectangular shaped cloth any size you want to make the doll.

front
for pants

back
for skirt

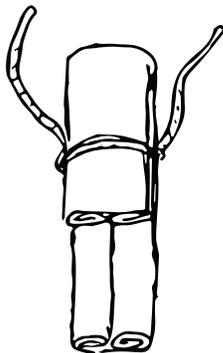

ninja

ragdoll

1 Roll the sides in towards the middle.

2 Fold the top part about a third of the way down.

3 You can fold down either side of the cloth.

4 Put a string or rubber band around the top part of the doll's body.

5 Tie the string like a belt. This will become the head part of the doll.

6 (optional) Use a permanent marker to draw a face for your doll.
