FSSO provided this letter in good faith and kindly requests this letter to confirm that a tracking device or suspicious gadget was detected.

The person named in this statement has signed a consent form agreeing that, if a device is found and FSSO provides a statement letter with photos verifying the device, FSSO will not remove it under normal circumstances and will recommend filing an incident report within their jurisdiction. However, while the intention is not to remove any detected device, there may be certain situations where removal becomes necessary due to safety concerns, accidental discovery, or other unavoidable circumstances.

They understand that this letter and the incident report do not guarantee any further action can be taken at this time, but can be used to help create a paper trail.

FSSO confirms that we did take photos of the device for documentation, have provided this statement letter in good faith to include in the incident report, but we did not investigate further.
