By signing below, I'm agreeing to volunteering for a free vehicle scan performed by members and volunteers of The Family Shelter of Southern Oklahoma. The purpose is to check for any tracking devices or suspicious gadgets, and I give permission, (or I have permission from the vehicle owner named in this consent form) for this to be done.

I also understand that The Family Shelter of Southern Oklahoma and FSSO volunteers cannot be held responsible if any damage occurs to my vehicle during the scan. I agree that the scan will be done carefully and respectfully, but I accept that accidents or damages are possible, and I release The Family Shelter of Southern Oklahoma and FSSO volunteers from any liability. In the event that a tracking device or suspicious gadget is detected, FSSO will provide me with a statement in good faith. If I choose to file an incident report, and the report is investigated, and the

investigation reveals malicious intent, I understand that purposely placing a device to be found or making false or misleading claims is illegal. I accept all responsibility for my actions.

I confirm that I own or have permission to have this vehicle checked, and I understand that if a device is detected, and FSSO provides me with a statement letter, including any photo documentation to verify the detected device, FSSO will not remove the detected device but they will recommend me to make an incident report within my jurisdiction. Both the FSSO statement letter and the filed incident report do not guarantee that any further action can be taken at this time, but it will provide me with a good foundation to start a paper trail.
