

watchband CARE CARD

Your Item was

♥ **MADE WITH LOVE** ♥

so please show it some love to extend the lifetime of your band!

- Before installing your band, inspect to be sure there are no loose or missing components. When you install, make sure it is secure, We will NOT be held responsible for dropped watches.
- Your Band can be cleaned with soap and water. Filled/Inked bands have been hand filled with oil-based ink which will fade over time with regular wear. Dark colored clothing (ex. dark jeans) can stain bands..
- High humidity may cause ink to smudge. If this happens clean the band with soap and water. Avoid harsh chemicals like abrasive cleaner, rubbing alcohol or paint thinners.

*Thank You
for your order!*
