Gladney Automotive Solutions (GAS) supplies a 3 year or 36,000-mile warranty (whichever comes first) on new OEM parts and labor if not stated otherwise. Used or recycled parts and parts supplied by somebody other than GAS are excluded from any warranty in parts and/or labor. Gaskets and leaks are excluded from this warranty. Maintenance and regular wear items are prorated warranted only for their expected service life and are excluded from the 36-month 36,000-mile warranty. Every warranty in parts and labor must only be performed by GAS, and under no circumstances by any other repair shop or person unless otherwise stated. Any missed service or maintenance work necessary to maintain the integrity of the warranted-work will void its warranty. Abnormal use (race, performance-modifications, police use etc.) of the vehicle will void this warranty. There will be no warranty on parts or labor if it is determined that neglect, abuse, third party involvement, or other defects/problems with the vehicle caused the warranted work to fail. This warranty is extended only to the owner of the vehicle and does not transfer when vehicle ownership is transferred. This warranty is limited to the billable services performed by GAS and expressly excludes any secondary or consequential damages to the vehicle, other property, or persons except where prohibited by law. GAS has permission to take pictures of client's vehicle and GAS retains all rights to said pictures.

SERVICES

1 Initial Vehicle Testing And Inspection European

SUBTOTAL: \$330.00

The vehicle was purchased 24 months ago. It was driven from San Marcos to Round Rock at a speed of 60mph and also used on country roads. While on the journey, the vehicle started to lose power, causing the engine to idle without any power. As a result, it had to be towed to a yard where they assured they could fix it.
