

HAWAII GEO TOURS GUIDELINES FOR COVID-19 AWARENESS

1. Ensure employee training on COVID-19.
2. Establish protocols to maintain at least six (6) feet physical distance, where possible, between employees, clients, vendors, and service providers.
3. Establish protocols to reduce the risk of spread of COVID-19 among employees, patrons, and associated service providers in the course of a trip.
4. Identify how the employer will provide adequate sanitation and promote personal hygiene for vans, guides, guests, associated service providers and employees.
5. Identify strategies for pre-screening guests, clients, and employees for COVID-19 diagnoses, symptoms and potential exposures to COVID-19.
6. Update employee illness policy and provide COVID-19 staff training. Considerations might include:
7. Develop plans for staff, clients, or patrons who become ill with COVID-19-like symptoms during their trips.
