## Educator/Coach

### Winter Track/Spring Track

Some people view material wealth as the best measures of success in life. Others prefer to judge people by the contributions they have made to the lives of those around them. Based on the latter criterion, Coach Kordos had been the face of track and field and winter track at BRHS. During his tenure, he helped build the Chiefs into one of the most respected programs in the region. Coach K helped nurture a parade of championship caliber athletes during his coaching tenure.

Some people don't realize the difference a coach makes. Steve, a former Marine, had an unmatched drive and inner desire to excel....and his athletes fed off that energy. The inspiration that Coach Kordos had always given to others in the form of quotes and stories as well as animated scenarios was part of Steve's uniqueness as an individual and coach. To quote one of his former athletes, Marcellus Manning, "Coach was a life changing guy who coached from a point of love. It was a relationship we shared."

Today, Coach Kordos has been living at the Heritage Assisted Living Facility in Hammonton as a result of a ruptured aneurysm during the summer of 2005. It ended his career and briefly paralyzed him on the right side of his body. After the stroke, he underwent physical therapy for almost a year and has made great strides in regaining the use of that side of his body. He never regained the use of his right hand nor his ability to use words to speak, but Steve has found his "voice" through his art expression by painting with his left hand!

The Buena boys track and field team had its dream season in 2000. The Chiefs captured the South Jersey Group II and New Jersey Group II championships! Both championships were won by beating Bridgeton, a team that was riding a ten year, 115 dual meet winning streak. Time and time again the boys proved their metal. Steve Cirino won gold in the Group II long jump and 100M. Kile Caldwell captured the 110 hurdles crown and Ed Sul-ton-El was 1<sup>st</sup> team CAL in the 200M. Rob Kleinow was 1<sup>st</sup> team CAL in the high jump. The 4x400 relay team of Kile Caldwell, Brandon Caldwell, Eddie Sul-ton-El and Matt Kordos not only won the state relay race but finished the season 7<sup>th</sup> in the United States. Coach Kordos said, "I couldn't ask any more from those guys. It was a total team effort from kids who absolutely did everything I asked of them the entire year."

# ***Thoughts from the Inductees...***

*“Memorable Moments” or individuals I would like to personally thank:*

## **Albert Aretz:**

*“All the people who stood up for all of the kids. I can not name names for fear of forgetting someone. Thanks to my wife for putting up with me.”*

## **Margaret (Brent) Helton:**

*“I would like to thank Mr. Marketto for pushing me so hard. I’ll never forget how excited he’d get at our meets. I thought he was gonna explode at any given moment, laugh out loud.*

*Funny moments of my mother literally being at the starting line when the gun went off and somehow being at the finish line when I got there. Another funny moment was running one of my biggest races and I heard my brother Brian screaming for me to lean at the finish line, thanks bro, I won by a hair, LOL.*

*Funniest moment was the day that I wore a half bra to school and had to run around the track holding it up, my dad was shouting, ‘Let it go, let it go.’*

*I want to thank Miss Pickett and Mrs. Meyrick for being so supportive during my years at Buena. I had so much fun with you guys. You really encourage female athletes!!!*

*Thanks to all of my teammates in track, basketball and field hockey, we had a ball!!.”*

## **Stephen Cirino:**

### **Jasselle Cirino**

*“My wife! Thank you for being my wife! From the first moment I laid eyes on you on the track, I fell in love. Ten years later God aligned our stars and officially started our love story. As we start our life together, as husband and wife and parents to our beautiful three daughters and new child, I will strive to be your rock just as you are mine. You are my heart and my better half. You make me better each and every day seeing how you have such a passion for your calling in life educating the youth and educating educators. I love you, endlessly.”*

### **David & Charmaine Cirino Sr.**

*"Thank you Mom and Dad for always being such a great support system for me. You believed in me and always gave me positive motivation in all areas of my life. You developed me into the man I am today. From baseball to piano, and church to singing in groups, you always wanted the best for me and did all you could to provide it. I remember you both screaming for me so loud at the Indoor National Track & Field Championships in NYC, which opened the door for me to get a track & field scholarship at a Division 1 University. That day was the best day of my high school life and it's because you two were there to see me. Calling me Stinky at every track meet always made me turn red, but I appreciate those moments now! I remember that long fourteen hour drive to Indiana State University to have a meeting with head coach John McNichols at a local Mexican Restaurant and him giving us the great news of a scholarship. You both did and still do everything for your kids. All your hard work and sacrifices keeping a roof over our heads and providing a life to me, Jr., Tete, and Matt that a child could only dream of, is appreciated so much. You two are a true blessing from God, and all you have done for me and my dreams in life, I pray that now I can help you two with your dreams post your recent retirements from your great careers. I love you both so much."*

### **David (Jr.), Charmaine (Tete), Matthew (Matt Matt)**

*"Jr. the man I have always looked up to my whole entire life. Anything you did I wanted to do. You played baseball, so I had to, you played the piano so I had to, you played basketball, so I had to, you were in the band and choir, so I had to be, you were a pretty boy, so I had to follow in your footsteps with that too! Thank you for being such a positive influence in my life and being there for me when I was at rock bottom and being the one person I will always look up to as we now start families of our own. **Tete**, I remember coming back from my freshmen year of college and everyone telling me that you were so great in track! I came to see you run at sectionals in Buena, and there you were beating everyone and laughing and having fun the whole time. That really brought so much joy to my heart. Thank you for being there for me when I needed you the most. **Matt Matt**, I remember you telling me that you had the lead in the school play your senior year, I was so proud of you. To go out on that stage and remember all of those lines, and to sing was amazing to see how much talent you had and how when you put your mind to something, you always come out on top. Thanks for being there for me in this new chapter of my life."*

### **Lillien, Chloe, Laila, future child**

*"My Lily bear, my beautiful daughter. You have my heart always and forever. You have brought so much joy to my life from the day you were born and I love you so much. You are destined for pure greatness and I am here to support you in all that you do. Chlo Chlo, my special bear. Your smile lights up my heart, I love you. Laila, you are my princess. When you are able to read this, know that I love you. My future child, when you can read this, know that I love you too!"*

### **Coach Steve Kordos**

*“Without you, track & field would have never happened. Seeing your face at the Meet of Champions after we broke the 4x400 school record would have never happened. Our joyous trip to Nationals in North Carolina would have never happened. You are the best coach I have ever had in my life. Your dedication to track & field and building a culture at Buena of excellence has carried into my life and the way I carry myself. Your tough exterior to your pure gold heart, I love you. You were and will always be family to me. You are the piece of my life that brought me my wife, allotted me a scholarship, and matured me into a man. Forever my name in track & field history will always begin with yours.”*

### **Coach Kurt Wayton**

*“Go Sycamores! You believed that I could get a Division I Track & Field Scholarship, you believed that your University would grant this to me, and you opened that door. My success today is because you believed in me. I thank God that you came into my life my senior year.”*

### **Coach Gillespie**

*“You are no longer here in the physical, but your spirit lives on. You always made me smile and seeing you everyday assisting us on the track was a blessing. I will never forget the time you and I got lost going to Nationals in NYC and the expletives that came out of your mouth. It showed how much you cared about me in your own way!”*

### **Ralph & Ana Vicente**

*“Thank you for your love and support. You have accepted me as your own and I am truly thankful. I love you.”*

### **Aunt Mary & Uncle Anthony**

*“Thank you for always being there for me supporting me on the track & field. You both were vital to my success and hearing “Run Stinky Boy!!!!” will forever be remembered as the line that put me into 7<sup>th</sup> gear.”*

### **Pastor Clay and Andrea Gunter**

*“Pastor Clay Thank you for your spiritual guidance, I am grateful for your leadership. Nute, without you, track & field wouldn't have happened. You told me I need to run spring track, and seeing the amount of fun and success you were having, drove me to come out. You were my best friend on the days of the track, and now you are so much more than that.”*

### **Grandparents**

*“Abuela Rivera muchas-gracias. Grandma Grey, you are here in spirit and I thank you for your love and care growing up. Abuela & Abuelo Felix & Ana Cruz, muchos-gracias. I love you all.”*

### **Brothers and Sisters in law**

*"Allie, Steve, Nicky, Jocelyn, and Juju I love you all. Your hearts and love give me peace and joy."*

### **Coach Elliot DeShields**

*"Thank you for giving me the opportunity to coach track & field. You are a true blessing."*

### **Teammates and Friends**

*"Matt, Kyle, Ed, Brandon, Denard, Chris, Justin, Rob, Gary, Mitch, Bob, JJ, Warner, Carl, Vince and all of my teammates and friends from 1998-2001. I thank you all for your friendship."*

### **Cindy (Hepler) Parker:**

*"I, Cindy (Hepler) Parker would personally like to THANK Pam Pickett Carr, Laurie Abbott, Steve Kordos, Bob Bryant, George Maxwell, Sharon Costello, Tom McCarville, my parents (Archie and Diana Hepler), and my husband Eric and daughters, Taylor and Diana. Each one of you have provided guidance, mentorship, friendship or love to lead me down the path of whom I have become today. I am thankful for each gift of memory you have given to me.*

*The life lesson that I learned as a young teenager during the long ride to Wildwood with Ms. Coia after realizing that Coach Pickett and Buena Softball will NOT wait for anyone! The bus WILL LEAVE YOU!*

*The countless pep talks or silly antics we would do before games with Shaun Moran.*

*The yard decorations before big games, the pasta parties with the team, the feeling of winning CAL championships and the many lessons I learned from coaches about teamwork, enjoying the moments, pride and most importantly, heart, intensity and confidence in anything I do."*

### **Brett Aretz:**

*"I've had many great memories of my time attending Buena and coaching in the community. I would like to thank my parents for setting a foundation that would turn into many years of service! I would like to thank my wife and kids for supporting me and letting me do what I love to do!"*
