Coronavirus (COVID-19) Infection Prevention & Control Policy

For

MAYFAIR MEDISPA

We have missed being able to offer you the treatments that we know you love, and we are looking forward to seeing you again as soon as possible.

Our priority is to keep you as safe as possible, and prior to re-opening the Clinic we have implemented a number of changes which we would like to make you aware of.

During the time the Clinic has been shut, **we have completed the Coronavirus (COVID-19) Infection Prevention and Control course** which is accredited by the Guild of Professional Beauty Therapists Ltd, the UK trade body for our industry. We have since made several changes in the way that we operate that you will notice when you next visit.

Booking Appointments

If any of our staff feel ill or have symptoms of COVID-19, // they will self-isolate immediately and not come into the Clinic. This may mean that we have to cancel your appointment at short notice. We appreciate that this may be inconvenient but it is done entirely for your own safety. If your appointment is cancelled you will be able to re-book again or ask for a complimentary session /voucher if last minute cancellation happens more than two occasions.

If you or any of the people you live with feel ill or display any symptoms of COVID-19 – please advise us as soon as possible and **DO NOT COME TO THE CLINIC FOR YOUR APPOINTMENT.** *We have amended our booking terms and conditions and you will not be charged for any appointments which you miss due to illness/ other.*

Visiting the Clinic

For your safety and to maintain social distancing, We ask that you attend your appointments as close to the appointment time as possible. Please do not turn up early for appointments as this may mean that you come into contact with other clients who are just leaving.

We have increased the frequency of cleaning in the clinic including making sure that common surfaces, toilets door handles etc. are wiped clean using disinfectant products between each client.

All tools and equipment will be disinfected or sterilised in line with the specific manufacturers' instructions for your safety.

Wherever possible we will utilise environmentally, friendly, single use items during a treatment that will be disposed of safely after use in order to protect you from cross infection.

You will have access to soap and hot water to wash your hands with as soon as you enter the salon *and we*

Mayfair Harley Clinic LTD / Mayfair MediSpa | 10 Harley Street W1G 9PF | 128 Wigmore Street W1U 3SB |

will also have hand sanitiser available for you to use when you come into the salon.

We will understand and not be offended if you wish to wear a facemask or wear disposable gloves when you visit the salon and during your treatment is this is appropriate.

Please don't be surprised or upset our staff use personal protective equipment (PPE) during your visit and during your treatment. This may include *disposable gloves / facemasks / aprons where appropriate.*

We can confirm that the laundering of salon towels and uniforms is a priority *I/we can assure you that all salon laundry is washed at 60 degrees C*

All disposable items are bagged and safely removed from the treatment area between each client.

Our treatments

We have carried out a risk assessment on all treatments and *we are confident that once Clinic reopened we can continue to provide these safely : Laser Hair Removal, Non-Surgical Tummy Tuck, Skin Tightening, Slimming and Shaping Treatments. We have decided that the following treatments cannot be provided until further notice: Botox, Fillers, Aquashine, or any other surgical procedures like : Tummy Tuck, Liposuction, Breast Augmentation and Surgical Facelifts. However we are able to conduct safe consultation with your surgeon and provisionally plan your treatment.*

During your treatment

Our staff understand the importance of hand hygiene and we will ensure that We wash our hands in according with NHS recommendations before the start of your treatment.

We will try to make your treatment as safe, comfortable and enjoyable as possible. If you have any concerns about your treatments please let *me/us* know and *I/we* will do what we can to satisfy you.

After the treatment

In order to avoid handling of cash, we would prefer if you could pay for your treatment by card or in advance using bank transfers.

All of these procedures have been implemented for your safety and that of our staff. We will continue to take advice from the Government and the NHS regarding safe practice and will amend them as necessary.

Thanks you for your understanding.

**Medical Director
Dr. Horn
&
Clinic Director
Anna Camilleri**
