Hispanic Heritage Month

National Hispanic Heritage Month is celebrated from September 15 to October 15. The observation started in 1968 as Hispanic Heritage week under President Lyndon Johnson. It was expanded by President Ronald Reagan in 1988 to cover a 30 day period. It was enacted into law on August 17, 1988. National Hispanic Heritage Month celebrates the histories, cultures, and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America. The day of September 15th is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16th and September 18th. People of Hispanic descent make up 18% of the U.S. population. The colors that represent this month are intensely bright colors like orange, red, yellow, and green.

Dia De Los Muertos Potluck & Party Fri., Nov. 3rd, 6-8PM, RAIN OR SHINE!

As a Spanish language magnet, Pittsburgh Liberty K-5 celebrates this delightful Mexican holiday, a lively and joyous celebration of beloved friends and family who are deceased. Our students create *ofrendas* (altars) with the departed loved ones' photos, momentos, and favorite foods, and gather together for food and fun.

This year's event—a potluck dinner and party—on Liberty's campus and will feature our giant schoolwide *ofrenda* (pictured here—photo courtesy Shannon Konek)! We're planning several free activities (crafts, dancing, students' raffle).

Volunteers are needed to cook (or just bring food/drinks); set up and run the event on the day-of; help the kids with crafts, and clean up after. To volunteer, sign up online at:

About the holiday

Día de los Muertos, or Day of the Dead, is celebrated throughout Mexico between October 31 and November 2. On this holiday, Mexicans remember and honor their deceased loved ones. It is a festive and colorful holiday celebrating the lives of those who have passed on. Many visit the gravesite and have a celebration there. They also make elaborately decorated *ofrendas* in their homes to welcome the spirits. In Pre-Hispanic times, the dead were buried close to the family homes (often in a tomb underneath the central patio of the house), and there was a great emphasis on maintaining ties with deceased ancestors, who were believed to continue to exist on a different plane.

With the arrival of the Spaniards and Catholicism, All Souls' and All Saints' Day practices were incorporated into Pre-Hispanic beliefs and customs that the holiday came to be celebrated today. The belief behind Day Of The Dead practices is that spirits return to the world of the living for one day of the year to be with their families. The spirits are greeted with offerings of special foods and things that they enjoyed while alive. Some of these things are: *Pan de Muertos* (Day of the Dead bread), *Calaveras de Azucar* (Sugar skulls that are not eaten), *tamales*, hot chocolate, *mole*, and many other fruits and foods. Marigolds are placed at the gravesite and usually lead to the house for the spirits to find their way home.

It is customary to spend the night in the cemetery with a picnic dinner, music, and parties. Altars are made at the house to greet the dead. They are decorated with flowers, foods, and bright colors to celebrate and welcome the deceased loved ones.

Making ofrendas

Photos by Shannon Konek

As a home project, Liberty students are encouraged to create an *ofrenda*. They include information about the deceased loved one they are honoring (favorite foods, colors, hobbies, etc).

If you would like your child to work on their *ofrenda* at school, please send a shoe box and photos (can be copies or drawings of loved one),

and they will help them create their *ofrenda* in class.

If completing the project at home, please send it to school by Wed., Nov. 1st. The *ofrenda* will then be displayed at our school's Dia de los Muertos evening celebration Fri., Nov. 3rd (see story above).

Castles Program at Liberty

Also known as the “house” program at other schools, Liberty’s castle program assigns our large student community into smaller groups. Members of a group work together as a team and encourage one another in celebrating collective successes. Periodically the kids wear their castle shirt for group activities.

During the school day, the kids are learning about how to model and recognize the traits. The program promotes character, academic success, school spirit, a family atmosphere, and culture of excellence. It is designed to uplift *all* students.

At Liberty, each castle is named after a character trait, and given an associated color, mascot, and T-shirt. Castles earn points as members display the month’s trait. These points earn Soaring Eagle tickets. Castle flags and points are posted by the school library.

Liberty’s castles are:

- Grit // Huskies // Green
- Confidence // Lions // Blue
- Determination // Bulldogs // Red
- Curiosity // Bears // Yellow
- Creativity // Panthers // Grey
- Integrity // Mustangs // Purple
- Honesty // Honesty // Gold

Liberty students are each assigned to a castle for a big kick-off. The goal is to hold a meeting at the beginning of each month to introduce a different monthly trait and celebrate the winning castle for the previous trait/month. A second monthly meeting then gathers the kids to participate in fun activities.

Points are awarded to any student demonstrating the monthly character trait each school day. Points are only given—never taken away. The leading castle is announced during the school-wide announcements. The castle with the most points is celebrated at the end of the month at the castle meeting.

Attention, Liberty teachers!

Does your classroom need a facelift that doesn't fit in the budget? Is there a special training you need? Or special equipment, supplies, or costumes for Liberty events? Please fill out the form at bit.ly/pghleaf-teachers and get reimbursed by LEAF, our parent organization. The check will then be delivered to you shortly after the monthly LEAF meeting.

Thanksgiving Books

Thanksgiving, a favorite holiday for many, is more than just a time to eat great food. It's also a time to think about what you're grateful for. Today, there is a lot to be grateful for, including good health and being able to spend the holidays with our families and friends in a safe way. Thanksgiving is a great time to show kids books about being thankful.

- *Balloons Over Broadway: The True Story of the Puppeteer of Macy's Parade* by Melissa Sweet
- *The First Thanksgiving (Pete the Cat Series)* by James and Kimberly Dean
- *Llama Llama Gives Thanks* by Anna Dewdney
- *Our Table* by Peter H. Reynolds
- *Bear Says Thanks* by Karma Wilson and Jane Chapman
- *The Thank You Book (Elephant and Piggie Series)* by Mo Willems
- *Ankle Soup: A Thanksgiving Story* by Maureen Sullivan

- Turkey Trouble by Wendi Silvano
- Gracias the Thanksgiving Turkey by Joy Cowley
- Turk and Runt by Lisa Wheeler
- Pilgrim's First Thanksgiving by Ann McGovern
- An Old-Fashioned Thanksgiving by Louisa May Alcott
- Thanksgiving in the Woods by Phyllis Alsdurf
- Thanks-For-Giving Day by Peter Dubay

Teacher appreciation

An important part of LEAF's mission is to show gratitude for our amazing faculty at Pittsburgh Liberty K-5. This year, we kicked off these efforts with a spread of donuts in the teacher's lounge in the first week of school!

And there's more where that came from! LEAF will also fund and plan meals for:

- Holiday edition—lunch and/or gift (Fri., Dec. 15th)
- Winter Blues edition—lunch and/or gift (Feb. date TBD)
- Teacher Appreciation Week—lunch (May date TBD)

We'd love to have a teacher appreciation chair to coordinate these efforts. If interested, visit <https://pghleaf.org/volunteer-for-leaf> or write us at President president@pghleaf.org.

And remember: little notes of appreciation can go a long way for our hard-working teachers and staff members. If you notice someone doing a stand-up job, let them know!

Support Ms. Z

Ms. Z will be on medical leave for the 1st semester of the year and is planning to return to Liberty at the end of January. You can support her during her recovery. We will be putting together monthly care packages. You can drop items off at the school and they will be collected and sent each month.

- Cards
- Small treats (no food)
- Gift cards - Amazon, Whole Foods, Giant Eagle, GrubHub, UberEats

Questions? Contact Jillian Wein Riley (jillianwiley@gmail.com)

Welcome, Ms. Correa!

Ms. Portillo will have an intern helping her on Wednesdays and Thursdays this school year. She wanted to introduce herself to our community: “My name is Grace Correa, and I’m excited to be joining Liberty as a social work intern! I’m originally from Florida but have most recently lived in Chicago and Milwaukee. After spending some time working at a children’s museum and as a youth theater educator, I decided to pursue my Master of Social Work at Pitt. In my free time, I enjoy riding my bike, cooking, and most crafts. I’m really looking forward to this year!”

Parent Advisory Council (PAC)

PAC is our school district's mechanism for ensuring that parents are informed and can help develop programming and policy. If you're interested in representing Liberty at this monthly district-wide meeting, contact Ms. Z: lzwieryznski1@pghschools.org

Recipe: Empanadas

Empanadas or empanadillas are baked or fried turnovers (made from wheat or corn flour), which are usually filled with meat, cheese, vegetables, and even sweet ingredients such as apple or guava paste. They are popular throughout Latin and South America. They are thought to have originated in Spain, where the Empanada Festival is part of Galician culture. The name comes from empanar or to coat with bread. One of the Catalan Chefs, Roberto De Nola added the empanada recipe to the very first published cookbook in Spain in 1520. When the Spanish hit the New World in the 16th century, they shared their empanada recipe with the Aztecs and Maya. Every single language, every single country has a word for empanada and a recipe to follow. For this recipe, the trick to the perfect dough is to add hot water. This makes the process easier and the dough will be more elastic at the end.

3 Ingredients Homemade Empanada Dough

3 cups all purpose flour sifted
2 tbsp olive oil
1 tsp salt
1 cup hot water

Instructions:

In a large bowl, mix the flour, salt, and oil. Stir with a spatula. Carefully, add the hot water and stir again until the consistency is crumbly. Knead the dough with your hands for a few minutes and form a ball. Let the dough rest for 30 minutes

before making the discs. After 30 minutes, use a rolling pin to roll out the dough into a thin sheet, and cut it into pie circles (You can use a small plate for this). Use immediately, or store in the fridge for up to 3 days or in the freezer for a few months. If the dough is too wet or dry, you can add more flour or water.

Craft: Homemade pumpkin playdough

Ingredients:

1 cup of flour

1/4 cup salt

2 tsp cream of tartar

2-3 tbsp pumpkin pie spice (You can make your own pumpkin pie spice blend with nutmeg, cinnamon, ginger, and cloves.)

2 tbsp vegetable oil

1 cup of water

Directions:

Mix in a saucepan over medium heat while stirring. The mixture will get lumpy and form into a dough. Allow to cool. Once it is cool to the touch, you can knead it until it is soft. Enjoy.

Craft: Coffee filter leaves

You will need:

- newspaper or something to cover the work surface
- white coffee filters (any size will do)
- Markers
- Scissors
- Spray bottle with water, vinegar, or a combination of both.

Spread out the newspaper on your work surface. Place the coffee filter on the surface, laying it flat. Draw a leaf in the middle of the filter. Use various Fall colors. Spray the leaf with the spray bottle. Do not saturate, but spray enough to allow the colors to mix and spread. Allow to dry. Watch as the colors blend together as the leaf dries. Cut out the leaf, once it is completely dry. Make a few, and hang them together.

Recipe: Mini cornucopias

You will need

- waffle cones
- fresh fruit of your choosing. (Apples, grapes, and berries are great choices. You can even add cheese.)

Let your children pick their favorite fruits. Wash and cut the fruit. Add it all into the waffle cones. Enjoy.
