TOYOTA
Quality Revolution

The planet's favourite hybrid.

NEW PRIUS

Leading the hybrid revolution, and shaping the future of cars, the new Prius is unlike any other. Its Hybrid Synergy Drive gives you three independent driving modes – Eco, Electric, and Power. Advanced features like Head-Up and Touch Tracer Displays, Electronic shift lever, Smart entry with a push-start, Traction control, 7 airbags, High fuel efficiency, Low CO₂ emissions and many more. No wonder the planet loves it.
