  - **Zebulon Miletsky:** There I had the opportunity to speak with the principal Jeanette Wigdorsky of school 383 Philippa Schuyler, basically they are having a big security problem there at the school and I was aware of it I think other people in the community were aware of it. Some fights and different things, break ups, or just little problems that all the schools are having, really, I guess, here and there but they are worried about it. they need are cameras. but they really need some cameras. They have certain hallways where there are like no teachers, no adults present and the kids get back into fights and bullying and different things happen. So anyway, I just pulled that.
4. **Treasurer's Report:** Remaining funds of 9,000 to \$9,281.54 with the \$375 food for Town Hall. Everything else remains remaining. We have \$9,281.54 that we really need to get out of our budget, or we will lose it in June. Right now, we are at \$16,281.54 and keep in mind that we have a lot of it. We have \$7,000 of reimbursement still to be claimed.
