 - a. **Happy New School Year:** As we all know, all schools are operational and open for great learning experiences. During the first week, our District DREAM team has been conducting school visits. Throughout their visits, they have observed warm, welcoming school communities with balloons, cheers, and cheers from everyone. Students are happily readjusting to their school building and classroom learning environments. Our superintendent, Rebecca Lozada, visited several school buildings and was very touched when she heard students excitedly interact with her classmates.
 - b. **Welcome Back District 32 Family:** September has always been an exhilarating month. Many magnificent events take place during the month September. To begin we celebrate the beginning of the National Hispanic Heritage Month. During this month, we have an opportunity to recognize the stories, contributions, achievements, and lived experiences of Latina people across the United States. September also brings to memory 9/11—a day forever engraved in our memory as a tragic day. We can all remember where we were on this day. But we will never forget our fallen heroes that placed their lives on the line to help others. September also brings the start of the fall season, cool weather and most importantly the beginning of school.
